

## **Alan Axelrod Memorial Scholarship for Professional Development**

Professional Development opportunities are the cornerstone of the Partnership for Philanthropic Planning of Rhode Island's mission. As a testament to this priority, the Council established a scholarship for professional development in 2006 to honor the memory of a long-time, devoted member of our PPP-RI family, Alan Axelrod.

Alan served in every leadership role on the PPP-RI Board including President of the Council from 2005-2006 and was well known for championing the "Leave a Legacy" campaign; he held leadership roles in Planned Giving at the University of Rhode Island and the United Way of Southeastern New England (now United Way of Rhode Island) and volunteered for numerous organizations throughout our state.

This professional development scholarship supports one full-tuition at the National Conference on Philanthropic Planning plus reimbursement of expenses for airfare, lodging and meals incurred during the conference stay for a PPP-RI Member who is employed by a not-for-profit organization. The annual scholarship award is approximately \$2,500-\$3,000.

The Alan Axelrod Memorial Scholarship for Professional Development is supported each year with generous donations from our Members, past scholarship recipients, Board of Directors and partners of PPP-RI. We are grateful for your consideration and support.
